Mr. Meeseeks (voiced by Justin Roiland) is the name of all the Meeseeks summoned by activating a Mr. Meeseeks Box. The Meeseeks appear in the fifth episode of the first season, "Meeseeks and Destroy" as the main antagonists. They are known to inhabit planets across the universe.

Meeseeks are creatures who are created to serve a singular purpose for which they will go to any length to fulfill. After they serve their purpose, they expire and vanish into the air. Their motivation to help others comes from the fact that existence is painful to a Meeseeks, and the only way to be removed from existence is to complete the task they were called to perform.
